OUR ETHOS

We are a life driven elevator manufacturer. Powered by the understanding of motion we invent solutions.

We believe that engineering excellence has the power to transform the everyday life. This is why we employ ever-evolving innovative systems that answer to bespoke lift solutions of exacting standards. Through boundless vision, ease and expertise, we deliver unmatched value with unparalleled care that supports our customer-centric approach. We're moving forward, we're moving together.

Doppler is made of:

- ① Culture: Voices are heard and ideas matter
- ② Customer success: We listen and talk about needs, desires, wants
- ③ Anthropomorphic approach, diverse, and inclusive
- ④ Performance mission driven by our ethos
- ⑤ Change, curiosity, extroversion

Integrated elevator solutions

- ① Complete Lift Packages. Standard and Bespoke Options
- ② Lift modernization
- ③ Spare parts

Value Added Services

- ① After Sales - 24/7 Technical Support
- ② Training & Consulting
- ③ Inhouse R&D Department
- ④ Training and consulting by a multilingual engineering team
- ⑤ Installation, maintenance, and commissioning by authorized associates and distributors
