Color and Finish Disclaimer

Please be advised that the colors and finishes of products depicted in images, whether digital or printed, may differ slightly from the actual product. These variations may result from differences in monitor and device display settings, screen calibration, lighting conditions during photography, and printing processes.

While every effort is made to present product finishes and colors as accurately as possible, such representations are provided for reference only. We strongly recommend reviewing physical samples prior to making a final purchasing decision to ensure complete satisfaction.

Doppler shall not be held liable for any discrepancies between the visual representations of products and the actual items delivered.
